BOIL WATER NOTICE LIFTED

ESTE INFORME CONTIENE INFORMACIÓN MUY IMPORTANTE SOBRE SU AGUA POTABLE.

TRADÚZCALO O HABLE CON ALGUIEN QUE LO ENTIENDA BIEN

The Boil Water Notice issued on January 2-3, 2018 has been lifted effective today, January 7, 2018, for the specific addresses listed above in the Main System.

A water main break occurred on January 2nd, which resulted in a loss of positive water pressure in the distribution system, which is now repaired. Two sets of samples were collected from the distribution system on January 5th and January 6th. Results from the first set of samples were clear on January 6th, and results from the second set were clear today, January 7th.

It is no longer necessary to use boiled water or bottled water for drinking, making ice, brushing teeth, washing dishes and food preparation.

Please share this information with all the other people who drink this water, especially those who may not have received this notice directly (for example, people in apartments, nursing homes, schools, and businesses). You can do this by posting this notice in a public place or distributing copies by hand or mail.
